SEC 1. 56836.06. For purposes of this article, the following terms or phrases have the following meanings, unless the context clearly requires otherwise:

(a) “Average daily attendance reported for the special education local plan area” means the total of the following:

(1) The total number of units of average daily attendance reported for the second principal apportionment pursuant to Section 41601 for all pupils enrolled in the district or districts that are a part of the special education local plan area.

(2) The total number of units of average daily attendance reported pursuant to subdivisions (a) and (b) of Section 41601 for all pupils enrolled in schools operated by the county office or offices that compose the special education local plan area, or for those county offices that are a part of more than one special education local plan area, that portion of the average daily attendance of pupils enrolled in the schools operated by the county office that are under the jurisdiction of the special education local plan area.

(b) For purposes of computing apportionments pursuant to this chapter for the special education local plan area identified as the Los Angeles County Juvenile Court and Community School/Division of Alternative Education Special Education Local Plan Area, the term “average daily attendance” means the total number of units of average daily attendance reported for the second principal apportionment pursuant to subdivisions (a) and (b) of Section 41601 for all pupils enrolled in districts within Los Angeles County and all schools operated by the Los Angeles County Office of Education and the districts within Los Angeles County.

(c) “Special education local plan area” includes the school district or districts and county office or offices of education composing the special education local plan area.

(d) “The fiscal year in which equalization among special education local plan areas has been achieved” means the first fiscal year in which each special education local plan area is funded at or above the statewide target amount per unit of average daily attendance, as computed pursuant to Section 56836.11.

(e) For a charter school deemed a local educational agency for purposes of special education, an amount equal to the amount computed pursuant to Section 56836.08 for the special education local plan area in which the charter school is included shall be apportioned by the department pursuant to the local allocation plan developed pursuant to subdivision (i) of Section 56195.7 or 56836.05, or both. If the charter school is a participant in a local plan that only includes other charter schools pursuant to subdivision (f) of Section 56195.1, the amount computed pursuant to Section 56836.11 shall be apportioned by the department pursuant for each unit of average daily attendance reported pursuant to subdivision (a).

(f) This section shall become inoperative as of July 1, 2020.

56836.08. (a) For the 1998–99 fiscal year, the Superintendent shall make the following computations to determine the amount of funding for each special education local plan area:

(1) Add the amount of funding per unit of average daily attendance computed for the special education local plan area pursuant to paragraph (1) of subdivision (a) of Section 56836.10 to the inflation adjustment computed pursuant to subdivision (d) for the 1998–99 fiscal year.
(2) Multiply the amount computed in paragraph (1) by the units of average daily attendance reported for the special education local plan area for the 1997–98 fiscal year, exclusive of average daily attendance for absences excused pursuant to subdivision (b) of Section 46010, as that subdivision read on July 1, 1996.

(3) Add the actual amount of the equalization adjustment, if any, computed for the 1998–99 fiscal year pursuant to Section 56836.14 to the amount computed in paragraph (2).

(4) Add or subtract, as appropriate, the adjustment for growth computed pursuant to Section 56836.15 from the amount computed in paragraph (3).

(b) (1) For the 1999–2000 fiscal year and each fiscal year thereafter, the Superintendent shall make the following computations to determine the amount of funding for each special education local plan area for the fiscal year in which the computation is made:

(A) Add the amount of funding per unit of average daily attendance computed for the special education local plan area for the prior fiscal year pursuant to Section 56836.10 to the inflation adjustment computed pursuant to subdivision (d) through the 2012–13 fiscal year, and for the 2013–14 fiscal year and each fiscal year thereafter, the inflation adjustment computed pursuant to subdivision (f), for the fiscal year in which the computation is made.

(B) For the 1999–2000 fiscal year to the 2018–19 fiscal year, inclusive, multiply the amount computed in subparagraph (A) by the units of average daily attendance reported for the special education local plan area for the prior fiscal year. For the 2019–20 fiscal year and each fiscal year thereafter, multiply the amount computed in subparagraph (A) by the units of average daily attendance upon which funding was based for the prior year.

(C) Add or subtract, as appropriate, the adjustment for growth or decline in enrollment, if any, computed for the special education local plan area for the fiscal year in which the computation is made pursuant to Section 56836.15 from the amount computed in subparagraph (B).

(2) For the 1999–2000 fiscal year to the 2018–19 fiscal year, inclusive, the amount of funding for each special education local plan area shall be the amount computed in paragraph (1).

(3) Subject to Section 56836.045, for the 2019–20 fiscal year and each fiscal year thereafter, the Superintendent shall determine the amount of funding for each special education local plan area, which shall be the greater of either subparagraph (A) or (B):

(A) The amount of funding computed for each special education local plan area pursuant to paragraph (1).

(B) An amount of funding computed as follows:

(i) Calculate the funded units of average daily attendance based on the average daily attendance reported for the special education local plan area for the fiscal year in which the computation is made pursuant to Section 56836.15 from the amount computed in subparagraph (B).

(ii) For the 2019–20 fiscal year, calculate the amount of funding per unit of average daily attendance pursuant to Section 56836.11. For the 2020–21 fiscal year and every fiscal year thereafter, the amount of funding per unit of average daily attendance shall be the amount computed pursuant to this clause for the prior fiscal year multiplied by the inflation factor for the current fiscal year computed pursuant to paragraph (2) of subdivision (d) of Section 42238.02.

(iii) Multiply the funded units of average daily attendance computed in clause (i) by the amount of funding per unit of average daily attendance computed in clause (ii).

(C) If the amount of funding for a special education local plan area is determined pursuant to subparagraph (B) as of the second principal apportionment for the fiscal year in which the computation is made, the special education local plan area shall be funded pursuant to subparagraph (B) for each fiscal year thereafter.

(c) For the 1998–99 fiscal year to the 2012–13 fiscal year, inclusive, the Superintendent shall make the following computations to determine the amount of General Fund moneys that the special education local plan area may claim:

(1) Add the total of the amount of property taxes for the special education local plan area pursuant to Section 2572 for the fiscal year in which the computation is made to the amount of
federal funds allocated for the purposes of paragraph (1) of subdivision (a) of Section 56836.09 for the fiscal year in which the computation is made.

(2) Add the amount of funding computed for the special education local plan area pursuant to subdivision (a) for the 1998–99 fiscal year, and commencing with the 1999–2000 fiscal year to the 2012–13 fiscal year, inclusive, the amount computed for the fiscal year in which the computations were made pursuant to subdivision (b) to the amount of funding computed for the special education local plan area pursuant to Article 3 (commencing with Section 56836.165).

(3) Subtract the sum computed in paragraph (1) from the sum computed in paragraph (2).

(d) For the 1998–99 fiscal year to the 2012–13 fiscal year, inclusive, the Superintendent shall make the following computations to determine the inflation adjustment for the fiscal year in which the computation is made:

(1) For the 1998–99 fiscal year, multiply the sum of the statewide target amount per unit of average daily attendance for special education local plan areas for the 1997–98 fiscal year computed pursuant to paragraph (3) of subdivision (a) of Section 56836.11 by the inflation adjustment computed pursuant to Section 42238.1 for the 1998–99 fiscal year.

(2) For the 1999–2000 fiscal year to the 2012–13 fiscal year, inclusive, multiply the sum of the statewide target amount per unit of average daily attendance for special education local plan areas for the prior fiscal year computed pursuant to Section 56836.11 for the prior fiscal year by the inflation adjustment computed pursuant to Section 42238.1 for the fiscal year in which the computation is made.

(3) For purposes of computing the inflation adjustment for the special education local plan area identified as the Los Angeles County Juvenile Court and Community School/Division of Alternative Education Special Education Local Plan Area for the 1998–99 fiscal year to the 2012–13 fiscal year, inclusive, the Superintendent shall multiply the amount of funding per unit of average daily attendance computed for that special education local plan area for the prior fiscal year pursuant to Section 56836.10 by the inflation adjustment computed pursuant to Section 42238.1 for the fiscal year in which the computation is made.

(e) Notwithstanding any other law, for the 2013–14 fiscal year and each fiscal year thereafter, the Superintendent shall make the following computations to determine the amount of General Fund moneys that the special education local plan area may claim:

(1) Determine the total amount of property taxes for the special education local plan area pursuant to Section 2572 for the fiscal year in which the computation is made.

(2) Calculate the amount of funding computed for the special education local plan area pursuant to subdivision (b) for the fiscal year in which the computation is made.

(3) Subtract the amount computed in paragraph (1) from the amount computed in paragraph (2).

(f) For the 2013–14 fiscal year and each fiscal year thereafter, the Superintendent shall make the following computations to determine the inflation adjustment for the fiscal year in which the computation is made:

(1) Multiply the statewide target amount per unit of average daily attendance for special education local plan areas for the prior fiscal year computed pursuant to Section 56836.11 by the inflation factor for the current fiscal year computed pursuant to paragraph (2) of subdivision (d) of Section 42238.02.

(2) For purposes of computing the inflation adjustment for the special education local plan area identified as the Los Angeles County Juvenile Court and Community School/Division of Alternative Education Special Education Local Plan Area, the Superintendent shall multiply the amount of funding per unit of average daily attendance computed for that special education local plan area for the prior fiscal year pursuant to Section 56836.10 by the inflation factor for the current fiscal year computed pursuant to paragraph (2) of subdivision (d) of Section 42238.02.

(g) This section shall become inoperative on July 1, 2020.
56836.11. (a) For the purpose of computing the equalization adjustment for special education local plan areas for the 1998–99 fiscal year, the Superintendent shall make the following computations to determine the statewide target amount per unit of average daily attendance for special education local plan areas:

(1) Total the amount of funding computed for each special education local plan area exclusive of the amount of funding computed for the special education local plan area identified as the Los Angeles County Juvenile Court and Community School/Division of Alternative Education Special Education Local Plan Area, pursuant to Section 56836.09 for the 1997–98 fiscal year.

(2) Total the number of units of average daily attendance reported for each special education local plan area for the 1997–98 fiscal year, exclusive of average daily attendance for absences excused pursuant to subdivision (b) of Section 46010, as that section read on July 1, 1996, and exclusive of the units of average daily attendance computed for the special education local plan area identified as the Los Angeles County Juvenile Court and Community School/Division of Alternative Education Special Education Local Plan Area.

(3) Divide the sum computed in paragraph (1) by the sum computed in paragraph (2) to determine the statewide target amount for the 1997–98 fiscal year.

(4) Add the amount computed in paragraph (3) to the inflation adjustment computed pursuant to subdivision (d) of Section 56836.08 for the 1998–99 fiscal year to determine the statewide target amount for the 1998–99 fiscal year.

(b) Commencing with the 1999–2000 fiscal year to the 2004–05 fiscal year, inclusive, to determine the statewide target amount per unit of average daily attendance for special education local plan areas, the Superintendent shall multiply the statewide target amount per unit of average daily attendance computed for the prior fiscal year pursuant to this section by one plus the inflation factor computed pursuant to subdivision (b) of Section 42238.1 for the fiscal year in which the computation is made.

(c) For the 2005–06 fiscal year, the Superintendent shall make the following computation to determine the statewide target amount per unit of average daily attendance to determine the inflation adjustment pursuant to paragraph (2) of subdivision (d) of Section 56836.08 and growth pursuant to subdivision (c) of Section 56836.15, as follows:

(1) The 2004–05 fiscal year statewide target amount per unit of average daily attendance less the sum of the 2004–05 fiscal year total amount of federal funds apportioned pursuant to Schedule (1) in Item 6110-161-0890 of Section 2.00 of the Budget Act of 2004 for purposes of special education for individuals with exceptional needs enrolled in kindergarten and grades 1 to 12, inclusive, divided by the total average daily attendance computed for the 2004–05 fiscal year.

(2) Multiply the amount computed in paragraph (1) by the inflation factor computed pursuant to subdivision (b) of Section 42238.1 for the fiscal year in which the computation is made.

(3) Add the amounts computed in paragraphs (1) and (2).

(d) Commencing with the 2006–07 fiscal year and continuing through the 2012–13 fiscal year, inclusive, the Superintendent shall make the following computation to determine the statewide target amount per unit of average daily attendance for special education local plan areas for the purpose of computing the inflation adjustment pursuant to paragraph (2) of subdivision (d) of Section 56836.08 and growth pursuant to subdivision (c) of Section 56836.15:

(1) The statewide target amount per unit of average daily attendance computed for the prior fiscal year pursuant to this section.

(2) Multiply the amount computed in paragraph (1) by the inflation factor computed pursuant to subdivision (b) of Section 42238.1 for the fiscal year in which the computation is made.

(3) Add the amounts computed in paragraphs (1) and (2).

(e) For the 2013–14 fiscal year, the Superintendent shall make the following computations to determine the statewide target amount per unit of average daily attendance to determine the
inflation adjustment pursuant to subdivision (f) of Section 56836.08 and growth pursuant to subdivision (c) of Section 56836.15, as follows:

(1) Total the amount of funding computed for each special education local plan area pursuant to the amount computed in subdivision (b) of Section 56836.08, including the amount of funds appropriated pursuant to Provision 22 of Item 6110-161-0001 of Section 2.00 of the Budget Act of 2013, and excluding the amount of funding computed for the special education local plan area identified as the Los Angeles County Juvenile Court and Community School/Division of Alternative Education Special Education Local Plan Area, for the 2013–14 fiscal year.

(2) Total the number of units of average daily attendance reported for each special education local plan area for the 2012–13 fiscal year, exclusive of the units of average daily attendance computed for the special education local plan area identified as the Los Angeles County Juvenile Court and Community School/Division of Alternative Education Special Education Local Plan Area.

(3) Divide the sum computed in paragraph (1) by the sum computed in paragraph (2).

(f) For the 2014–15 fiscal year to the 2017–18 fiscal year, inclusive, the Superintendent shall make the following computations to determine the statewide target amount per unit of average daily attendance for special education local plan areas for the purpose of computing the inflation adjustment pursuant to subdivision (f) of Section 56836.08 and growth pursuant to subdivision (c) of Section 56836.15:

(1) The statewide target amount per unit of average daily attendance computed for the prior fiscal year pursuant to this section.

(2) Multiply the amount computed in paragraph (1) by the inflation factor computed pursuant to Section 42238.1, as that section read on January 1, 2013, or any successor section of law enacted by the Legislature that specifies the inflation factor contained in Section 42238.1, as that section read on January 1, 2013, for application to the 2014–15 fiscal year and each fiscal year thereafter.

(3) Add the amounts computed in paragraphs (1) and (2).

(g) For the 2018–19 fiscal year, the Superintendent shall make the following computations to determine the statewide target amount per unit of average daily attendance for special education local plan areas for the purpose of computing the inflation adjustment pursuant to subdivision (f) of Section 56836.08 and growth pursuant to subdivision (c) of Section 56836.15:

(1) The statewide target amount per unit of average daily attendance computed for the prior fiscal year pursuant to this section.

(2) Subtract the amount computed pursuant to subparagraph (B) of paragraph (1) of subdivision (a) of Section 56836.24 for the 2017–18 fiscal year from the amount computed in paragraph (1).

(3) Multiply the amount computed in paragraph (2) by the inflation factor for the 2018–19 fiscal year computed pursuant to paragraph (2) of subdivision (d) of Section 42238.02.

(4) Add the amounts computed in paragraphs (2) and (3).

(h) Commencing with the 2019–20 fiscal year and continuing each fiscal year thereafter, For the 2019-20 fiscal year, the Superintendent shall make the following computations to determine the statewide target amount per unit of average daily attendance for special education local plan areas for the purpose of computing the inflation adjustment pursuant to subdivision (f) of Section 56836.08 and growth pursuant to subdivision (c) of Section 56836.15:

(1) The statewide target amount per unit of average daily attendance computed for the prior fiscal year pursuant to this section.

(2) Multiply the amount computed in paragraph (1) by the inflation factor for the current fiscal year computed pursuant to paragraph (2) of subdivision (d) of Section 42238.02.

(3) Add the amounts computed in paragraphs (1) and (2).

(i) This section shall become inoperative on July 1, 2020.
56836.15. (a) In order to mitigate the effects of any declining enrollment, commencing in the 1998–99 fiscal year, and each fiscal year thereafter, the Superintendent shall calculate allocations to special education local plan areas based on the average daily attendance reported for the special education local plan area for the fiscal year in which the computation is made or the prior fiscal year, whichever is greater. However, the prior fiscal year average daily attendance reported for the special education local plan area shall be adjusted for any loss or gain of average daily attendance reported for the special education local plan area due to a reorganization or transfer of territory in the special education local plan area.

(b) For the 1998–99 fiscal year only, the prior year average daily attendance used in this section shall be the 1997–98 average daily attendance reported for the special education local plan area, exclusive of average daily attendance for absences excused pursuant to subdivision (b) of Section 46010, as that section read on July 1, 1996.

(c) If in the fiscal year for which the computation is made, the number of units of average daily attendance upon which allocations to the special education local plan area are based is greater than the number of units of average daily attendance upon which allocations to the special education local plan area were based in the prior fiscal year, the special education local plan area shall be allocated a growth adjustment equal to the product determined by multiplying the amounts determined under paragraphs (1) and (2).

(1) The statewide target amount per unit of average daily attendance for special education local plan areas determined pursuant to Section 56836.11.

(2) The difference between the number of units of average daily attendance upon which allocations to the special education local plan area are based for the fiscal year in which the computation is made and the number of units of average daily attendance upon which allocations to the special education local plan area were based for the prior fiscal year.

(d) If in the fiscal year for which the computation is made, the number of units of average daily attendance upon which allocations to the special education local plan area are based is less than the number of units of average daily attendance upon which allocations to the special education local plan area were based in the prior fiscal year, the special education local plan area shall receive a funding reduction equal to the product determined by multiplying the amounts determined under paragraphs (1) and (2):

(1) The amount of funding per unit of average daily attendance computed for the special education local plan area for the prior fiscal year. For the 2013–14 fiscal year only, the amount of funding per unit of average daily attendance computed for the special education local plan area for the 2013–14 fiscal year shall be used for this purpose.

(2) The difference between the number of units of average daily attendance upon which allocations to the special education local plan area are based for the fiscal year in which the computation is made and the number of units of average daily attendance upon which allocations to the special education local plan area were based for the prior fiscal year.

(e) If, in the fiscal year for which the computation is made, the number of units of average daily attendance upon which the allocations to the special education local plan area identified as the Los Angeles County Juvenile Court and Community School/Division of Alternative Education Special Education Local Plan Area are based is greater than the number of units of average daily attendance upon which the allocations to that special education local plan area were based in the prior fiscal year, that special education local plan area shall be allocated a growth adjustment equal to the product determined by multiplying the amounts determined under paragraphs (1) and (2).

(1) The amount of funding per unit of average daily attendance computed for the special education local plan area for the prior fiscal year pursuant to Section 56836.10 multiplied by one plus the inflation factor computed pursuant to Section 42238.1, as that section read on January 1, 2013, or any successor section of law enacted by the Legislature that specifies the inflation factor contained in Section 42238.1, as that section read on January 1, 2013. For the 2013–14...
fiscal year only, the amount of funding per unit of average daily attendance computed for the special education local plan area for the 2013–14 fiscal year shall be used, and multiplied by one plus the inflation factor computed pursuant to Section 42238.1, as that section read on January 1, 2013, or any successor section of law enacted by the Legislature that specifies the inflation factor contained in Section 42238.1, as that section read on January 1, 2013, for application to the 2013–14 fiscal year and each fiscal year thereafter.

(2) The difference between the number of units of average daily attendance upon which allocations to the special education local plan area are based for the fiscal year in which the computation is made and the number of units of average daily attendance upon which allocations to the special education local plan area were based for the prior fiscal year.

(f) This section shall become inoperative as of July 1, 2020.

New Special Education Funding Formula (Adds Article 1 of Chapter 7.3 of Part 30 of Division 4 of Title 2 of the Education Code commencing with Section XXXXX)

SEC 2. XXXX0. Commencing with the 2020-21 fiscal year and each fiscal year thereafter, the Superintendent shall annually calculate a special education funding formula for each local educational agency in the state pursuant to Sections XXXXX.

Definitions

XXXX1. For purposes of this article, the following terms and phrases shall have the following meaning:

(a) “Average daily attendance reported for a local educational agency” means the following:

(1) The total number of units of average daily attendance reported for the second principal apportionment pursuant to Section 41601 for all pupils enrolled in the school district.

(2) The total number of units of average daily attendance reported pursuant to subdivisions (a) and (b) of Section 41601 for all pupils enrolled in schools operated by a county office of education.

(3) The total number of units of average daily attendance reported for the second principal apportionment pursuant to Section 41601 for all pupils enrolled in a charter school deemed a local educational agency for purposes of special education pursuant to Section 47641.

(b) For purposes of computing apportionments pursuant to this chapter for the special education local plan area identified as the Los Angeles County Juvenile Court and Community School/Division of Alternative Education Special Education Local Plan Area, the term “average daily attendance” means the total number of units of average daily attendance reported for the second principal apportionment pursuant to subdivisions (a) and (b) of Section 41601 for all pupils enrolled in districts within Los Angeles County and all schools operated by the Los Angeles County Office of Education and the districts within Los Angeles County.

(c) “Special education local plan area” includes the school district or districts, county office or offices of education, and charter schools composing the special education local plan area.

(d) For purposes of computing apportionments pursuant to Section XXXX2 for the special education local plan area, the average daily attendance for each local educational agency member of the special education local plan area specified in the local plan, shall be calculated and reported separately.

(e) Inflation factor shall be the percentage change in the annual average value of the Implicit Price Deflator for the State and Local Government Purchases of Goods and Services for the United States, as published by the United States Department of Commerce for the 12-month period ending in the third quarter of the prior fiscal year. This percentage change shall be determined using the latest data available as of May 10 of the preceding fiscal year compared with the annual average value of the same deflator for the 12-month period ending in the third
quarter of the second preceding fiscal year, using the latest data available as of May 10 of the preceding fiscal year, as reported by the Department of Finance.

Average Daily Attendance 3-Year Rolling Average Calculation

XXXX2. (a) For the 2020-21 fiscal year and each fiscal year thereafter, the Superintendent shall make the following computations to determine the funded units of average daily attendance for each local educational agency:

(1) For purposes of calculating the funded average daily attendance for local educational agencies with three or more years of reported average daily attendance:

(A) Calculate the sum of the average daily attendance reported for each local educational agency pursuant to Section XXXX1 in the current year in which the computation is made and the two prior fiscal years.

(B) Divide the amount computed in subparagraph (A) by three.

(2) For purposes of calculating the average daily attendance reported for local educational agencies with two or less years of reported average daily attendance:

(A) In the first fiscal year in which the local educational agency reports average daily attendance pursuant to Section XXXX1, reported average daily attendance in the current year shall be the funded average daily attendance.

(B) In the second consecutive fiscal year in which the local educational agency reports average daily attendance:

(i) Calculate the sum of the average daily attendance reported for the local educational agency pursuant to Section XXXX1 in the current year in which the computation is made and the prior fiscal years.

(ii) Divide the amount computed in clause (i) by two.

(b) To determine the total funded units of average daily attendance for the special education local plan area identified as the Los Angeles County Juvenile Court and Community School/Division of Alternative Education Special Education Local Plan Area, calculate the sum of funded units of average daily attendance for all districts within Los Angeles County and all schools operated by the Los Angeles County Office of Education and the districts within Los Angeles County calculated pursuant to this section.

Base Rate Calculation for Hold Harmless

XXXX3. (a) For the 2020-21 fiscal year, the Superintendent shall determine the amount of funding per unit of average daily attendance for each local educational agency, which shall be the greater of the following:

(1) Six hundred and sixty dollars ($660) per unit of average daily attendance.

(2) The amount of funding per unit of average daily attendance calculated in the 2019-20 fiscal year pursuant to Section 56836.08 for the special education local plan area, in which the local educational agency was included for purposes the Section 56195.1, adjusted for the 2020-21 inflation factor.

(b) If the resulting calculation in paragraph (2) of subdivision (a) is higher than the per unit amount provided in paragraph (1) of subdivision (a), then calculate the positive difference between the amounts.

(c) If a local educational agency transfers to a different special educational local plan area, the amount of funding per unit of average daily attendance shall be calculated pursuant to paragraph (1) of subdivision (a).

(d) If the amount of funding for a local educational agency is determined pursuant to paragraph (1) of subdivision (a) as of the second principal apportionment for the fiscal year in which the
computation is made, the local educational agency shall be funded pursuant to paragraph (1) of subdivision (a) for each fiscal year thereafter.

(e) Commencing with the 2021-22 fiscal year and each fiscal year thereafter, the Superintendent shall determine the amount of funding per unit of average daily attendance for each local education agency, which shall be the greater of the following:

(1) The amount of funding per unit of average daily attendance calculated in the prior year pursuant to paragraph (1) of subdivision (a) adjusted each year by the annual inflation factor.
(2) The amount of funding per unit of average daily attendance calculated in paragraph (2) of subdivision (a).

(f) If the resulting calculation in paragraph (2) of subdivision (e) is higher than the per unit amount provided in paragraph (1) of subdivision (e), then calculate the positive difference between the amounts.

(g) For purposes of calculating the amount of funding per unit of average daily attendance for the special education local plan area identified as the Los Angeles County Juvenile Court and Community School/Division of Alternative Education Special Education Local Plan Area, the Superintendent shall make the following computations:

(1) For the 2020-21 fiscal year, increase the amount of funding per unit of average daily attendance computed for that special education local plan area for the 2019-20 fiscal year pursuant to Section 56836.10 by fifteen percent and then multiply by the inflation factor for the current fiscal year.
(2) For the 2021-22 fiscal year and each fiscal year thereafter, the amount of funding per unit of average daily attendance computed for that special education local plan area for the prior fiscal year shall be adjusted by the inflation factor for the current fiscal year.

Special Education Base Formula Calculation

XXXX4. (a) For the 2020-21 fiscal year, the Superintendent shall make the following computations to determine the base grant funding for each special education local plan area:

(1) Multiply the amount funded per unit of average daily attendance for each local educational agency computed in subdivision (a) of Section XXXX3 by the funded average daily attendance computed in subdivision (a) of Section XXXX2 for the corresponding local educational agency.
(2) Calculate the sum of the amount computed in paragraph (1) for all local educational agencies that compose a special education local plan area, or for those county offices that are part of more than one special education local plan area, that portion of funding proportionate to the average daily attendance of pupils enrolled in the schools operated by the county office that are under the jurisdiction of the special education local plan area.

(b) Commencing with the 2021-22 fiscal year and each fiscal year thereafter, the Superintendent shall make the following computations to determine the base grant funding for a special education local plan area:

(1) Multiply the amount funded per unit of average daily attendance for each local educational agency computed in subdivision (e) of Section XXXX3 by the funded average daily attendance computed in subdivision (a) of Section XXXX2 for the corresponding local educational agency.
(2) Calculate the sum of the amount computed in paragraph (1) for all local educational agencies that compose a special education local plan area, or for those county offices that are part of more than one special education local plan area, that portion of funding proportionate to the average daily attendance of pupils enrolled in the schools operated by the county office that are under the jurisdiction of the special education local plan area.

(c) The prior fiscal year average daily attendance reported for the special education local plan area shall be adjusted for any loss or gain of average daily attendance reported for the special education local plan area due to a reorganization or transfer of territory in the special education local plan area.
Property Tax and General Fund Determinations

(5). (a) Notwithstanding any other law, for the 2020-21 fiscal year and each fiscal year thereafter, the Superintendent shall make the following computations to determine the amount of General Fund moneys that the special education local plan area may claim:

1. Determine the total amount of property taxes for the special education local plan area pursuant to Section 2572 for the fiscal year in which the computation is made.
2. Calculate the amount of funding computed for the special education local plan area pursuant to Section XXXX4 for the fiscal year in which the computation is made.
3. Subtract the amount computed in paragraph (1) from the amount computed in paragraph (2).

(b) If it is determined in the current year or prior year in which the calculations in subdivision (a) is made that the amount of General Fund appropriated for this purposes is insufficient to fully fund the funding per unit of average daily attendance calculated for each local educational agency in Section XXXX3 in the 2020-21, 2021-22, and 2022-23 fiscal year, the Superintendent shall notify the Department of Finance of the amount of General Fund needed to ensure full funding of the calculated funding per unit of average daily attendance pursuant Section XXXX3.

(c) To the extent prior year or current year Proposition 98 General Funds are available for this purpose, the Director of Finance shall notify the Chairperson of the Joint Legislative Budget Committee, or the chairperson’s designee, of the Director of Finance’s intent to notify the Controller of the necessity to release funds to address the shortfall determined pursuant subdivision (b). For purposes of making the computations required by Section 8 of Article XVI of the California Constitution, the appropriations made by this subdivision shall be deemed to be “General Fund revenues appropriated for school districts,” as defined in subdivision (c) of Section 41202 of the Education Code, for the fiscal year for which the computations in subdivision (b) were made, and included within the “total allocations to school districts and community college districts from General Fund proceeds of taxes appropriated pursuant to Article XIII B,” as defined in subdivision (e) of Section 41202 of the Education Code, for the fiscal year for which the computations in subdivision (b) were made.
