## LEGISLATIVE COUNSEL'S DIGEST

Bill No.

as introduced, \_\_\_\_\_.

General Subject: Medi-Cal: managed care organization provider tax.

Existing law establishes the Medi-Cal program, which is administered by the State Department of Health Care Services and under which qualified low-income individuals receive health care services. The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. Under existing law, one of the methods by which Medi-Cal services are provided is pursuant to contracts with various types of managed care plans.

Existing law imposes a managed care organization (MCO) provider tax, administered and assessed by the department, on licensed health care service plans and managed care plans contracted with the department. Under existing law, all revenues, less refunds, derived from the taxes are deposited into the Managed Care Enrollment Fund, to be available to the department, upon appropriation, for the purpose of funding specified subcomponents to support the Medi-Cal program.

Existing law sets forth certain taxing tiers and tax amounts for purposes of the tax periods of April 1, 2023, to December 31, 2023, inclusive, and the 2024, 2025, and 2026 calendar years. Under existing law, the Medi-Cal per enrollee tax amount for Medi-Cal taxing tier II, as defined, is \$182.50 for the 2024 calendar year, \$187.50 for the 2025 calendar year, and \$192.50 for the 2026 calendar year.

This bill would raise that tax amount for that tier to \$205 for all 3 of those calendar years.

This bill would declare that it is to take effect immediately as an urgency statute.

Vote:  $\frac{2}{3}$ . Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
