- (i) (1) For the 2018–19 and 2019–20 fiscal years, the department shall determine, on a county-by-county basis, whether the timeframe for the resource family approval process resulted in net assistance costs or net assistance savings for assistance payments, pursuant to this section.
- (2) For the 2018–19 and 2019–20 fiscal years, the department shall also consider, on a county-by-county basis, the impact to the receipt of federal Title IV-E funding that may result from implementation of this section.

- (4) Subdivision (e) and subdivisions (h) to (k), inclusive, shall apply to payments made pursuant to this subdivision.
- (m) Notwithstanding the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code), the department may implement and administer this section through an all-county letter or similar instructions, which shall include instructions regarding the eligibility standards for emergency assistance until regulations are adopted.
- SEC. 2. Section 16519.5 of the Welfare and Institutions Code is amended to read:
- 16519.5. (a) The State Department of Social Services, in consultation with county child welfare agencies, foster parent associations, and other interested community parties, shall implement a unified, family friendly, and child-centered resource family approval process to replace the existing multiple processes for licensing foster family homes, certifying foster homes by licensed foster family agencies, approving relatives and nonrelative extended family members as foster care providers, and approving guardians and adoptive families.
- (b) (1) Counties shall be selected to participate on a voluntary basis as early implementation counties for the purpose of participating in the initial development of the approval process. Early implementation counties shall be selected according to criteria developed by the department in consultation with the County Welfare Directors Association of California. In selecting the five early implementation counties, the department shall promote diversity among the participating counties in terms of size and geographic location.
- (2) Additional counties may participate in the early implementation of the program upon authorization by the department.
- (3) The State Department of Social Services shall be responsible for all of the following:
- (A) Selecting early implementation counties, based on criteria established by the department in consultation with the County Welfare Directors Association of California.
- (B) Establishing timeframes for participating counties to submit an implementation plan, enter into terms and conditions for early implementation participation in the program, train appropriate staff, and accept applications from resource families.
- (C) Entering into terms and conditions for early implementation participation in the program by counties.
- (4) Counties participating in the early implementation of the program shall be responsible for all of the following:

- (A) Submitting an implementation plan.
- (B) Entering into terms and conditions for early implementation participation in the program.
- (C) Consulting with the county probation department in the development of the implementation plan.
  - (D) Training appropriate staff.
- (E) Accepting applications from resource families within the timeframes established by the department.
- (5) (A) Approved relatives and nonrelative extended family members, licensed foster family homes, or approved adoptive homes that have completed the license or approval process prior to statewide implementation of the program shall not be considered part of the program. The otherwise applicable assessment and oversight processes shall continue to be administered for families and facilities not included in the program.
- (B) Upon implementation of the program in a county, that county shall not accept new applications for the licensure of foster family homes, the approval of relative and nonrelative extended family members, or the approval of prospective guardians and adoptive homes.
- (6) The department may waive regulations that pose a barrier to the early implementation and operation of this program. The waiver of a regulation by the department pursuant to this section applies to only those counties or foster family agencies participating in the early implementation of the program and only for the duration of the program.
  - (7) This subdivision is inoperative on January 1, 2017.
- (c) (1) For purposes of this article, "resource family" means an individual or family that has successfully met both the home environment assessment standards and the permanency assessment criteria adopted pursuant to subdivision (d) necessary for providing care for a child placed by a public or private child placement agency by court order, or voluntarily placed by a parent or legal guardian. A resource family shall demonstrate all of the following:
- (A) An understanding of the safety, permanence, and well-being needs of children who have been victims of child abuse and neglect, and the capacity and willingness to meet those needs, including the need for protection, and the willingness to make use of support resources offered by the agency, or a support structure in place, or both.
- (B) An understanding of children's needs and development, effective parenting skills or knowledge about parenting, and the capacity to act as a reasonable, prudent parent in day-to-day decisionmaking.
- (C) An understanding of the role of the individual or family as a resource family and the capacity to work cooperatively with the agency and other service providers in implementing the child's case plan.
- (D) The financial ability within the household to ensure the stability and financial security of the family. This requirement may be waived for relative and nonrelative extended family member resource families on a case-by-case basis. For purposes of this subparagraph, there is no minimum income requirement and an applicant who will rely on the funding described in subdivision (*l*) to meet additional household expenses incurred due to the placement of a child shall not, for this reason, be denied approval as a resource family.

- (E) (i) An ability and willingness to provide a family setting that promotes normal childhood experiences that serves the needs of the child.
- (F) An ability and willingness to meet the needs of the child regardless of the child's sexual orientation, gender identity, or gender expression, and that, should difficulties around these issues arise, a willingness to obtain resources offered by the county or foster family agency or other available resources to meet those needs.
- (2) For purposes of this article, and unless otherwise specified, references to a "child" include a "nonminor dependent" and "nonminor former dependent or ward," as defined in subdivision (v) and paragraph (1) of subdivision (aa) of Section 11400.
- (3) There is no fundamental right to approval as a resource family. Emergency placement of a child pursuant to Section 309, 319, 361.45, or 727.05, or with a resource family applicant pursuant to subdivision (e), does not entitle an applicant to approval as a resource family.
- (4) (A) A resource family shall be considered eligible to provide foster care for children in out-of-home placement and approved for adoption and guardianship.
- (B) (i) Notwithstanding subparagraph (A), a county may approve a resource family to care for a specific child, as specified in the written directives or regulations adopted pursuant to this section. Child-specific approval shall be considered if the applicant is a relative or nonrelative extended family member who has an established and significant relationship with a child or a child is already placed in the home of the relative or nonrelative extended family member pursuant to subdivision (e) or Section 309, 319, 361.45, or 727.05.
- (ii) When child-specific approval is granted to a relative who has received a criminal records exemption pursuant to clause (iv) of subparagraph (A) of paragraph (2) of subdivision (g) of Section 1522 of the Health and Safety Code, the child's placement shall be funded pursuant to Section 11461.3 and the relative shall not be eligible for federal financial participation while the child is placed with them.
- (iii) In the case of an Indian child for whom the child's tribe is not exercising its right to approve a home, the county shall apply the prevailing social and cultural standards of the Indian community to resource family approval for that child, as required by subdivision (f) of Section 361.31 and the federal Indian Child Welfare Act of 1978 (25 U.S.C. Sec. 1901 et seq.). The department shall engage in the tribal consultation process and develop regulations to implement this clause. Notwithstanding the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code), the department may implement this clause through all-county letters or other similar instruction, and provide guidance to counties regarding consistent implementation of this clause.
- (5) For purposes of this article, "resource family approval" means that the applicant or resource family successfully meets the home environment assessment and permanency assessment standards. This approval is in lieu of a foster family home license issued pursuant to Chapter 3 (commencing with Section 1500) of Division 2 of the Health and Safety Code, a certificate of approval issued by a licensed foster family agency, as described in subdivision (b) of Section 1506 of the Health and Safety Code, relative or nonrelative extended family member approval, guardianship approval, and the adoption home study approval.

- (6) Approval of a resource family does not guarantee an initial, continued, or adoptive placement of a child with a resource family or with a relative or nonrelative extended family member. Approval of a resource family does not guarantee the establishment of a legal guardianship of a child with a resource family.
- (7) (A) Notwithstanding paragraphs (1) to (6), inclusive, the county shall, consistent with Sections 1520.3 and 1558.1 of the Health and Safety Code, cease any further review of an application if the applicant has had a previous application denial by the department or a county within the preceding year, or if the applicant has had a previous rescission, revocation, or exemption denial or exemption rescission by the department or a county within the preceding two years.
- (B) Notwithstanding subparagraph (A), the county may continue to review an application if it has determined that the reasons for the previous denial, rescission, or revocation were due to circumstances and conditions that either have been corrected or are no longer in existence. If an individual was excluded from a resource family home or facility licensed by the department, the county shall cease review of the individual's application unless the excluded individual has been reinstated pursuant to subdivision (g) of Section 16519.6 of this code or pursuant to Section 1569.53, subdivision (h) of Section 1558, subdivision (h) of Section 1569.58, or subdivision (h) of Section 1596.8897, of the Health and Safety Code.
- (C) (i) The county may cease any further review of an application if, after written notice to the applicant, the applicant fails to complete an application without good faith effort and within 30 days of the date of the notice, as specified in the written directives or regulations adopted pursuant to this section.
- (ii) Clause (i) does not apply if a child is placed with the applicant pursuant to Section 309, 361.45, 727.05, or paragraph (1) of subdivision (e) of Section 16519.5.
- (D) The cessation of an application review pursuant to this paragraph does not constitute a denial of the application for purposes of this section or any other law.
- (E) For purposes of this section, the date of a previous denial, rescission, revocation, exemption denial or exemption rescission, or exclusion shall be either of the following:
- (i) The effective date of a final decision or order upholding a notice of action or exclusion order.
- (ii) The date on the notice of the decision to deny, rescind, revoke, or exclude if the notice was not appealed or otherwise constitutes a final decision.
- (8) A resource family shall meet the approval standards set forth in this section, and, as applicable, Chapter 6.3 (commencing with Section 18360) of Part 6, to maintain approval. A resource family shall comply with the written directives or regulations adopted pursuant to this section and applicable laws in order to maintain approval.
- (9) A resource family may be approved by a county child welfare department or a probation department pursuant to this section or by a foster family agency pursuant to Section 1517 of the Health and Safety Code.
- (10) A resource family shall not be licensed to operate a residential facility, as defined in Section 1502 of the Health and Safety Code, a residential care facility for the elderly, as defined in Section 1569.2 of the Health and Safety Code, or a residential care facility for persons with chronic life-threatening illnesses, as defined in Section 1568.01 of the Health and Safety Code, on the same premises used as the residence of the resource family.

- (11) (A) An applicant who withdraws an application prior to its approval or denial may resubmit the application within 12 months of the withdrawal.
- (B) This paragraph does not preclude a county from requiring an applicant to complete an application activity, even if that activity was previously completed.
- (d) (1) The department shall adopt standards pertaining to the home environment and permanency assessments of a resource family.
- (2) Resource family home environment assessment standards shall include, but not be limited to, all of the following:
- (A) (i) (I) A criminal record clearance of each applicant and all adults residing in, or regularly present in, the home, and not exempted from fingerprinting, as set forth in subdivision (b) of Section 1522 of the Health and Safety Code, pursuant to Section 8712 of the Family Code, utilizing a check of the Child Abuse Central Index pursuant to Section 1522.1 of the Health and Safety Code, and receipt of a fingerprint-based state and federal criminal offender record information search response. The criminal history information shall include subsequent notifications pursuant to Section 11105.2 of the Penal Code.
- (II) Consideration of any substantiated allegations of child abuse or neglect against the applicant and any other adult residing in, or regularly present in, the home pursuant to Section 1522.1 of the Health and Safety Code.
- (III) If the criminal records check indicates that the person has been convicted of an offense described in subparagraph (A) of paragraph (2) of subdivision (g) of Section 1522 of the Health and Safety Code, home approval shall be denied unless the person has received a criminal records exemption pursuant to clause (iv) of subparagraph (A) of paragraph (2) of subdivision (g) of Section 1522 of the Health and Safety Code. If the criminal records check indicates that the person has been convicted of an offense described in subparagraph (B) or (D) of paragraph (2) of subdivision (g) of Section 1522 of the Health and Safety Code, the home shall not be approved unless a criminal record exemption has been granted pursuant to subclause (IV).
- (IV) If the resource family parent, applicant, or any other person specified in subclause (I) has been convicted of a crime other than an infraction or arrested for an offense specified in subdivision (e) of Section 1522 of the Health and Safety Code, except for the civil penalty language, the criminal background check provisions specified in subdivisions (d) through (f) of Section 1522 of the Health and Safety Code shall apply. Exemptions from the criminal records clearance requirements set forth in this section may be granted by the department or the county, if that county has been granted permission by the department to issue criminal record exemptions pursuant to Section 361.4, using the exemption criteria currently used for foster care licensing, as specified in subdivision (g) of Section 1522 of the Health and Safety Code.

## LEGISLATIVE COUNSEL'S DIGEST

Bill No.

General Subject:	Resource family approval

(1) Existing law generally provides for the placement of foster youth in various placement settings. Existing law requires the resource family approval process to include, among other things, a home environment assessment, a permanency assessment, and a written report, as specified. For specified emergency placements, existing law requires the home environment assessment and written report to be completed within 90 days of a child's placement, unless good cause exists. For placements made for compelling reasons prior to the completion of a permanency assessment, existing law requires the home assessment and written report to be completed within 90 days of placement, unless good cause exists. For specified placements with a relative or nonrelative extended family member, existing law requires the home environment assessment, permanency assessment, and written report to be completed within 90 days of placement, unless good cause exists. Existing law also requires counties to provide the department with quarterly reports on the number of families for whom certain requirements have not been completed by the 90-day deadline and to summarize the reasons for these delays.

This bill would instead extend the deadline by which these requirements must be completed to 120 days.

(2) Existing law provides for the temporary or emergency placement of dependent children of the juvenile court and nonminor dependents with relative caregivers or nonrelative extended family members under specified circumstances. Existing law requires counties to provide a specified payment to an emergency caregiver if, among other things, the emergency caregiver has completed an application for resource family approval and an application for the Emergency Assistance Program. Existing law requires that these payments be made through Emergency Assistance Program funds included in the state's Temporary Assistance for Needy Families (TANF) block grant, with the county solely responsible for the nonfederal share of cost, except as specified.

Under existing law, during the 2022–23 fiscal year, and each fiscal year thereafter, these payments are ineligible for the federal or state share of payment upon approval or denial of the resource family application or beyond 120 days, whichever occurs first. Existing law makes the federal and state share available beyond 120 days of payments, and up to 365 days of payments, if certain conditions are met by the county, including, among others, providing the department with a monthly list of the resource family applications that have been pending for more than 90 days, as specified.

This bill would instead require the county to provide a monthly list of resource family applications that have been pending for more than 120 days.
